

OUR MISSION

Partnering with indigenous leaders to spread the gospel, serve others, and build community.

OUR VALUES

Indigenous Model

Demonstrated by the commitment to support leaders who serve in their own communities or culture.

Gospel Focus

Demonstrated by the priority that people have opportunity to hear and respond to the Gospel.

Holistic Approach

Demonstrated by the fact that we work with partners who are addressing both physical and spiritual needs.

Discipleship Emphasis

Demonstrated by a priority that partners have a way to nurture followers of Jesus on the path toward spiritual maturity.

OUR STRATEGY

Equipping

We help partners accomplish their work through fund management, fundraising, training, encouragement, advising, and working together on short-term teams.

Communication

We connect partners and donors by using various methods to update both existing and prospective donors regarding a partner's progress, new ministry opportunities and to celebrate their successes.

Accountability

We serve our donors and partners by assisting with project management, financial reporting, progress updates, stories of transformation, and regular visits to the field by our staff.

OUR MEASURES

Thriving Partners

Indicated by the spiritual and emotional well-being of our partners as well as their ministry effectiveness reflected by physical and spiritual needs being met and leaders being developed.

Changed Lives

Indicated by the number of individuals who make decisions to follow Jesus Christ and the stories of life-change that can be shared and celebrated.

Impacted Communities

Evidence of improvement of quality of life as physical and expressed needs are met in the areas where our partners minister.

Multiplying Disciples

Evidence of churches planting churches, leaders being multiplied, and disciples making disciples.
